

MEETING THE PROJECT MANAGEMENT CHALLENGE

2004

Biography

Kevin Rice

Division Manager of Business Management - JPL

Mr. Rice is currently Division Manager of Business Management for the Jet Propulsion Laboratory responsible for cost management, scheduling, earned value implementation and all business management activities. Prior to coming to JPL, he was Director of Business Management for the Lockheed Martin Skunk Works from 1985 to 2002, responsible for Business and Financial operations, including programs such as F-117, F-22, C-130, U2, SR-71 and the new Joint Strike Fighter (F-35). He also served as Director of International Business Operations which covered projects in over 20 countries.

Mr. Rice also has also been an adjunct professor at the University of Redlands for finance, economics, and International Business since 1988.

He received a Bachelors Degree in Business Administration from the University of Connecticut in 1973 and MBA's from the University of Florida and the University of LaVerne.
